...quality in progress.

Dalla lunga tradizione artigianale di Premana nasce l'azienda artigiana **open**.  
Le forbici per manicure, i tronchesi e le forbici da parrucchiere sono gli articoli di spicco della nostra gamma e costituiscono per i professionisti del settore validi ed indispensabili supporti di lavoro.

La lavorazione, articolata in numerosi passaggi, in cui la mano dell'artigiano produce e controlla direttamente i manufatti, oltre all'attenzione ed alla cura alla finitura dei prodotti, consentono di garantire alle forbici **open** quella qualità che da sempre costituisce obiettivo e vanto dell'azienda.

La diversificazione dell'utilizzo professionale degli utensili di lavoro, ha portato **open** a specializzarsi nella lavorazione dell'acciaio inossidabile, garantendo articoli qualitativamente perfetti, esenti da ogni rischio di deperimento nel tempo.

Anche alla **open** le tecnologie moderne hanno ormai affiancato il lavoro dell'artigiano, agevolandone il compito ed assicurando una crescente precisione, ma il tutto controllato dalla sua sapiente mano, per garantire un'alta qualità che dura nel tempo.

*From a long tradition of artisan craftsmanship of Premana, arises **open** craft company. Manicure scissors, cutting nippers and hairdresser's scissors, are the most prominent articles of our range, and represent efficient and essential work tools for the professionals.*

*The work processing, that consists in many stages where the craftsman's hand checks directly the hand made articles, combined with the attention for the products finishing, guarantee **open** top quality scissors, always been aim and boast of our craft company.*

*The variety of professionals who using our tools, elects **open** to highly specialized in stainless steel manufacturing, ensuring high quality articles that will not decay in the long run.*
