## LIFESTYLE TOSCANO A TAVOLA

Dal 1979 La Porcellana Bianca porta sulla tavola il raffinato stile country della tradizione toscana e celebra una convivialità tutta italiana fatta di un'attitudine al mangiare bene e al vivere ogni momento intorno alla tavola prendendosi il giusto tempo.

Pura e intramontabile, La Porcellana Bianca si colleziona nel tempo componendo, stagione dopo stagione, una tavola e una cucina informalmente ricercate.

Le linee contemporanee, destinate tanto alla preparazione quanto alla *mise en place*, permettono di valorizzare la creatività in cucina e trasformare ogni piatto in un'opera d'arte.

*Since 1979 La Porcellana Bianca has been bringing the refined country stylishness of Tuscan tradition to tables everywhere. It celebrates typical Italian attitude, a love of good food and enjoyable meals spent with family and friends at a slow pace.*

*Timelessly attractive, La Porcellana Bianca items are meant to be collected over time, allowing to build up an effortlessly tasteful table and kitchen season after season.*

*Exuding contemporary ease, the available items are suitable for both food preparation and table setting. This range will set off the creativity and turn each dish into a work of art.*

L'eleganza della porcellana incontra il raffinato stile country della tradizione toscana e la contemporaneità delle linee per una tavola ricercata e senza tempo.

*The elegance of porcelain meets the country style of Tuscan tradition and the contemporary design for a refined and timeless table.*

# COLLINA

Collina, con il suo decoro semplice e raffinato, ci trasporta nel capolavoro toscano della Val d'Orcia, dove dolci colline cingono borghi antichi, casolari e vigneti, in un tempo che sembra essere sospeso.

*With its pristine refined patterning, Collina takes us on a trip through the scenic Tuscan countryside where time stands still and rolling hills are broken up by century-old towns, farmsteads and vineyards.*

Istruzioni per mantenere inalterate nel tempo le caratteristiche della padella con trattamento antiaderente. Lavare con acqua calda prima del primo utilizzo e oliare leggermente la superficie interna; per cucinare senza aggiungere grassi tenere la fiamma piuttosto bassa. Usare palette in legno o materiale plastico; lavare solo con acqua calda, se necessario staccare i residui solidi con uno straccio.

**IMPORTANTE:** per non danneggiare il trattamento antiaderente interno non tagliare i cibi all'interno della padella e non usare palette e spazzole metalliche, polveri abrasive o pagliette di ferro; non raffreddare d'improvviso; non surriscaldare la padella, mezza fiamma è più che sufficiente.

*Instructions to maintain the characteristics of the non-stick pan over time. Wash with hot water before first use and lightly oil the inner surface. To cook without adding fat, keep the heat fairly low. Use wooden or plastic utensils. Wash only with hot water, if necessary removing any solid residues with a cloth.*

**IMPORTANT:** in order to avoid damaging the internal nonstick surface, do not cut foods in the pan and do not use metal utensils or brushes, abrasive powders or steel wool pads. Do not cool suddenly; do not overheat the pan: a medium heat is more than sufficient.
